

Building Maintenance Associate

Bordered by the Crescent Drive Golf Course and only 20 minutes from downtown Winnipeg, Thermëa by Nordik Spa-Nature opened its doors in 2015. This relaxation and renewal centre focuses on thermotherapy practices and relaxation techniques from Scandinavian countries. It offers a multisensorial experience in an all-embracing natural setting to contribute to the health and wellness of its guests.

Continuously innovating and evolving by creating unique relaxation experiences, it is the only Nordic-style spa in the Canadian Prairies today.

We are currently seeking passionate wellness professionals who will use their skills to transform people's lives, one visit at a time. Join our team.

Associates with Nordik Spa-Nature will embrace the following values:

- Accountability
- Engagement
- Respect
- Integrity
- Teamwork

The Building Maintenance Associate's primary objective is to maintain and preserve the buildings, machinery and aquatic facilities. He/she is also an important support to the operational team in ensuring the smooth running of operations.

Main tasks will also include:

- General maintenance and repair of plumbing, fixtures, doors, windows and their hardware, floor and ceiling tiles, light fixtures and walls.
- Ensure the smooth functioning of systems through rigorous and accurate monitoring (heating, cooling, ventilation and refrigeration controls)
- Conduct water quality tests and add additional products as required
- Perform preventative maintenance according to established schedules

- Ensure par levels are respected for replacement parts, chemicals and other required equipment
- Check and perform monthly tests to ensure proper functioning of security, emergency and fire protections systems
- Follow up on work orders assigned by other departments

The selected candidate will be required to have the following:

- High school diploma with 2 years advanced vocational training or equivalent
- Minimum two years of experience in facility maintenance
- Excellent English communication skills
- Must be able to lift up to 50 pounds
- Must be available to work variable shifts which would include evenings, weekends and holidays.

Additional Assets:

- Experience in mechanics
- Accreditation – Pool Operator
- Experience in other trades
- Knowledge of water chemistry

Work schedule:

Variable schedule (day, evenings, weekends, holidays)

Salary:

Based on the pay scale and benefits in effect at Thermëa by Nordik Spa-Nature
